PRODUCT FACT SHEET

HAY

LOOP STAND ROUND TABLE

DESIGN BY LEIF JØRGENSEN, 2006

Designed by Leif Jørgensen, the Loop Stand Round Table features a circular tabletop on a classic tripod design, resulting in a simplistic, graphic expression. The Loop Stand Round Table is offered in a variety of heights and sizes in different materials and colours that make it suited to a wide number of private or public environments. Also available in rectangular variants in the Loop Stand Table series.

HIGHLIGHTS

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.
