

Innes Fabric Care Kit 500ml

A complete set for maintenance of fabric furniture. Guardian Textile Cleaner is for removing tough water and oil-based stains. It can also be used for clothing, carpets and other types of textiles including microfibre. The product does not contain any bleaching agents.

Keep your beloved furniture in pristine condition with regular treatment. Remember to Hoover your furniture on a regular basis.

The kit contains:

x1 Guardian Protection Textile Cleaner 500ml

x1 Osmo Lint Free Cloth

x1 Foam Sponge

Direction for use:

Guardian Textile Cleaner - a unique cleaner - can be used for removing stains on all textiles. The product does not contain bleach.

1. Always test the product in an invisible place.
2. Always wipe up as much of the spilled liquid / the stain with a dry cloth before applying Textile Cleaner.
3. Spray Textile Cleaner directly onto the stain, activate the product with a soft brush or sponge. In some cases, the Textile Cleaner turns into a light foam.
4. Wipe up the cleaner and dirt with absorbing material (tea towel, paper towels or the like). If necessary, dry with a hair dryer and vacuum-cleaner afterwards.
5. It is important to wipe up all Textile Cleaner from the textile to avoid blotches.
6. Repeat the above procedure on difficult stains.

Shake before use.

Keep out of the reach of children.
