EOOS

DESCRIPTION

The Embrace Armchair unites the Austrian design trio's strong sense of modern aesthetics with Carl Hansen & Søn's century-old tradition of quality craftsmanship and outstanding comfort. EOOS pairs soft, modern upholstery with a classic, light, solid wood frame. A three-dimensional cushion functions as seat, back and armrests, embracing the wooden structure and appearing to float within the frame.

DESIGNER

EOOS, is a design collaborative established in Vienna in 1995 by Martin Bergmann (b. 1963), Gernot Bohmann (b. 1968), and Harald Gründl (b. 1967). EOOS views design as a poetic discipline, believing that end results should be able to accommodate changing needs and desires. EOOS designs for many of the world's best-known brands. The trio has won over 130 international awards.
