FH3605™
PRODUCT FACT SHEET

FH3605™

The FH3605™ or “Writing Desk”, in Arne Jacobsen's own words, expresses itself through minimalist lines and beautiful materials to create a modern and elegant working space. An optional document drawer that sits neatly under the top stores items close to hand. The simplified, open silhouette is functional and convenient, with space to be productive yet with a reduced footprint that makes the desk ideal for use in smaller rooms.
