Ariette 1

Designed by Tobia Scarpa, 1973

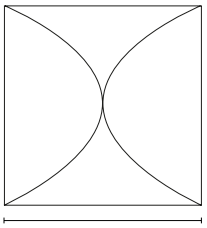

Halogen - 4 x 40W

Wall- or ceiling-mounted lamp emitting diffused light. Features a synthetic fabric diffuser and a 30% fibreglass-reinforced polyamide wall and ceiling fitting.

Designed by Tobia Scarpa in 1973, Ariette pairs geometric simplicity with material innovation. Soft, atmospheric light filters through a delicate synthetic textile in a unique creation inspired by the designer's passion for experimenting with new materials. Despite its minimal construction, Ariette has a striking visual presence, making it an enduring design that feels as relevant today as when it first launched.

Are you a professional and your project needs consulting and support?

Main specifications

EAN	8059607014059
Mounting	Ceiling, Wall
Environments	Indoor dry location
Light source type	Bulb
Light sources included	No
Lamp category	Halogen
Lamp holders	E27
Ilcos	HSGSA
Number of lamps	4
Power (W)	40

Physical

Colour	Fabric
Length (mm)	800
Net weight (kg)	0.75
Package height (mm)	100
Package width (mm)	690
Package length (mm)	200
Package volume (m3)	0.01
IP internal	20

In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order t improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.

Schematic light drawing

Luminous flux luminaire
1680 lm

Photometric

Lighting type	Total
Light distribution	Asymmetric
Extreme cut off	No

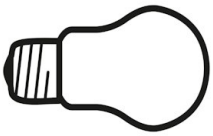

Electrical

Insulation class	II
Frequency (Hz)	50/60
Main voltage (Vac)	220-250
Dimmable	Yes
Dimming interface	Remote Dimmable (Dimmer Not Included)
Batteries inside	No
