Gatto Piccolo

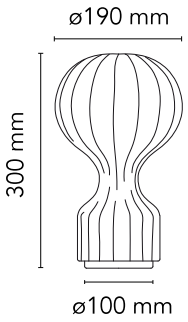

Designed by Achille and Pier Giacomo Castiglioni, 1960

Halogen - 60W

Table lamp emitting diffused light from within a white powder-coated steel structure sprayed with a unique Cocoon resin to form the diffuser and protected with a transparent spray finish. Cable features an electronic dimmer.

Gatto is a sculptural table lamp designed in 1960 by Achille and Pier Giacomo Castiglioni. It features the signature Cocoon technique, in which a steel frame is sprayed with a soft, web-like resin. The duo began experimenting with this method in the 1950s after discovering its use in industrial applications. The result is a delicate yet durable surface that diffuses a warm, ambient glow. Named after the Italian word for 'cat', Gatto brings a quiet, luminous presence to any space.

Main specifications

EAN	8059607002087
Mounting	Table
Environments	Indoor dry location
Light source type	Bulb
Light sources included	No
Lamp category	Halogen
Lamp holders	E14
Ilcos	HSGSA
Number of lamps	1
Power (W)	60

Physical

Colour	White
Length (mm)	190
Cord colour	White
Cord length (mm)	1800
Net weight (kg)	0.75
Package height (mm)	480
Package width (mm)	280
Package length (mm)	280
Package volume (m3)	0.04
IP internal	20

In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order t improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.
