Miss K

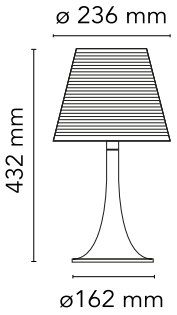

Designed by Philippe Starck, 2003

Halogen - 100W

Table lamp emitting diffused light. Fully transparent, injection-moulded PMMA body with opaline, injection-moulded polycarbonate internal diffuser and transparent or coloured external diffuser, finished using high-vacuum aluminisation.

Created by Philippe Starck, Miss K plays with contrast and perception. When switched off, its metallic outer shell appears opaque and reflective. Once illuminated, it reveals a glowing inner diffuser, resembling an X-ray of a classic table lamp. Starck is known for using materials in unexpected ways to shift our collective perception, and Miss K is no exception. It is a playful reinterpretation of tradition, inviting us to look beyond the surface and reconsider the objects we use every day.

Are you a professional and your project needs consulting and support?

Main specifications

EAN	8059607021163
Mounting	Table
Environments	Indoor dry location
Light source type	Bulb
Light sources included	No
Lamp category	Halogen
Lamp holders	E27
Ilcos	HSGS
Number of lamps	1
Power (W)	100

Physical

Colour	Fabric
Length (mm)	236
Cord colour	Clear
Net weight (kg)	1
Package height (mm)	300
Package width (mm)	515
Package length (mm)	265
Package volume (m3)	0.04
IP internal	20

In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order t improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.

IP 20

IK 00

Schematic light drawing

Photometric

Lighting type	Total
Light distribution	Roto symmetric
Extreme cut off	No

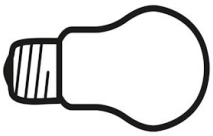

Electrical

Insulation class	II
Frequency (Hz)	50/60
Main voltage (Vac)	220-240
Dimmable	Yes
Dimming interface	Dimmer Integrated
Plug type	Type C
Batteries inside	No
