Rosy Angelis

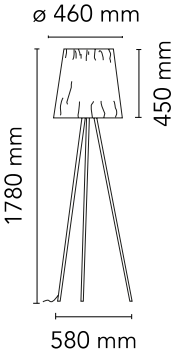

Designed by Philippe Starck, 1994

Halogen - 150W

Floor lamp emitting diffused light. External shade in special ultra-lightweight fabric embroidered with designer's signature. Aluminium tripod stems. Foam polycarbonate lamp-holder.

Designed by Philippe Starck, Rosy Angelis is a poetic reinterpretation of the classic floor lamp. Inspired by the way a tablecloth softly drapes over a table, its flowing fabric shade appears almost weightless, resting on a slender tripod base. The delicate materiality gives the lamp a romantic, atmospheric presence that blends contemporary wit with timeless elegance.
