FLOS

F6405047 Rusty Brown

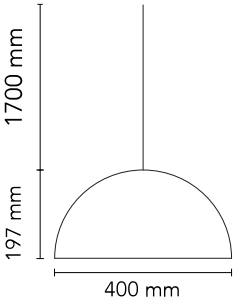

Skygarden Small

Designed by Marcel Wanders, 2020

LED retrofit - 8W

Suspension lamp emitting diffused light. Features a plaster dome with white interior, dome support in die-cast aluminium alloy and diffuser in flashed and blown opal glass. Decoration in photo-etched and mechanically drawn AISI 304 stainless steel. Ceiling attachment in moulded, galvanised steel with injection-moulded PA6 rose.

Designed by Marcel Wanders in 2007, Skygarden was inspired by the ornate plaster ceiling in his former home. Reluctant to leave it behind when he moved, Wanders preserved its beauty in this striking pendant lamp. From the outside, Skygarden is sleek and minimal, but step beneath it and a secret garden is revealed: delicate floral detailing cast in white plaster. A poetic fusion of classical craft and contemporary design, Skygarden brings hidden beauty into everyday space.

Main specifications

EAN	8059607035016
Mounting	Suspension
Environments	Indoor dry location
Light source type	Bulb
Light sources included	Yes
Lamp category	LED retrofit
Lamp type	T28
Lamp holders	E14
Bulb finish	Frosted
Number of lamps	1
Power (W)	8
System power (W)	10

Physical

Colour	Rusty Brown
Length (mm)	400
Cord colour	Clear
Cord length (mm)	1700
Canopy length/diameter (mm)	146
Canopy height (mm)	36
Net weight (kg)	5.8
Package height (mm)	340
Package width (mm)	550
Package length (mm)	550
Package volume (m3)	0.1
IP internal	20

In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order t improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.
