SuperWire T

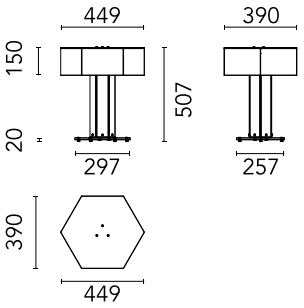

Designed by Formafantasma, 2024

18W - 1200lm - 2700K - CRI> 90

Table lamp emitting diffused light. Structure of planar glass hexagonal panels joined by polished aluminium elements, forming a single module surmounted by a hexagonal glass cover. Equipped with a custom-made light source that emits warm, uniform light along its entire length and can be easily removed for replacement or repair.

Formafantasma's SuperWire is born from the designers' experimentation with LED technology, resulting in a modular collection that merges an industrial attitude with timeless design codes. Stemming from a complex creative process, it reflects the studio's blend of poetic aesthetics with environmental commitment and is a rare example of a lighting design with a removable, replaceable LED light source. The floor version is a tribute to the historic Luminator by the Castiglioni brothers.

Main specifications

EAN	8059607070222
Mounting	Table
Environments	Indoor dry location
Light source type	LED
Light sources included	Yes
LED type	Filament LED
Power (W)	18
System power (W)	18
Lumen Output (lm)	1200

Physical

Colour	Steel
Length (mm)	449
Cord colour	Clear
Cord length (mm)	2000
Net weight (kg)	9
Package volume (m3)	0.23
IP internal	20

In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order t improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.

Ecodesign and Energy Labelling

This product contains a light source of energy efficiency class E

Replaceable (LED only) light source by an end-user

Replaceable control gear by an end-user

Photometric

Lighting type	Total
Light distribution	Asymmetric
CCT (K)	2700
CRI>	90
Extreme cut off	No

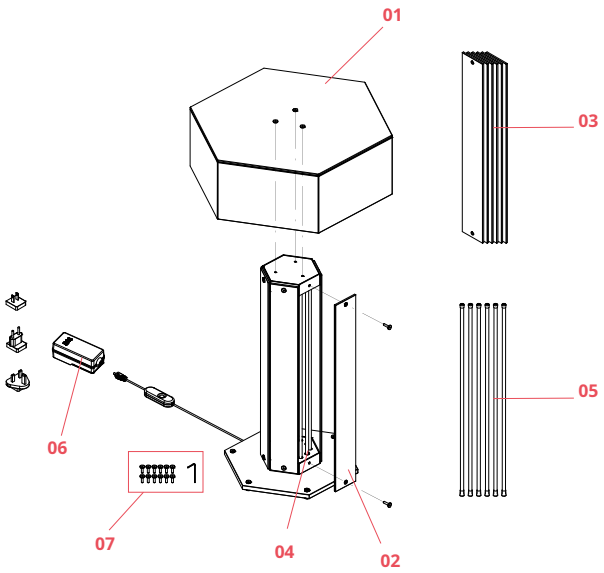

Electrical

Insulation class	III
Frequency (Hz)	50/60
Main voltage (Vac)	100-240
Power supply	Remote included
Dimmable	Yes
Power supply type	Dimmable
Dimming interface	Switch Integrated (Remote Dimmable)
Plug type	Type A, Type C, Type G
Batteries inside	No
