

ABOUT A CHAIR / AAC 27 SOFT

DESIGN BY HEE WELLING & HAY

The AAC 27 Soft chair offers functional simplicity and modern aesthetics that are tempered by the softness and warmth of the quilted shell. Retaining the same curved shell with unified silhouette that characterises the entire series, this design features a four-legged steel base that adds a timeless and elegant expression. The base is available in chromed or powder-coated steel, and the shell is offered in a variety of upholstery options, providing a multitude of design combinations that give this chair great versatility in a wide range of corporate, public and private contexts.
