

AAL 83

PRODUCT FACT SHEET

AAL 83

DESIGN BY HEE WELLING & HAY, 2012

With a moulded plywood frame this version of About A Lounge Chair is offset by the minimalist wooden frame, creating a slightly more angular expression. It is available in a low-backed version with a more intimate expression or in a high-backed version with an open, spacious feel. The wide choice of cushions, legs and upholsteries mean you can configure unique combinations that fit a variety of public and private contexts.

HIGHLIGHTS

- Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- Full upholstery in a large selection of fabrics and leathers.
- Variability of textiles, colours and base finishes.
- Removable seat cushion is optional with or without Velcro.
- Other base options are: solid wood legs, swivel base and bent steel tube base.
- Other upholstery options are: a soft quilted version with added wadding in a large selection of fabrics and leathers or a soft duo version in selected fabric and leather combinations on front and back.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.
