- Fixed seat cushion in moulded polyurethane foam
- Fixed with velcro
- Also available with solid wood legs (AAL 92), swivel base (AAL 91) and with low back
- Suitable for a wide variety of private and public environments
- Qualified for contract use

AAL 93 DESIGN BY HEE WELLING & HAY

With a moulded plywood frame this version of About A Lounge Chair is offset by the minimalist wooden frame, creating a slightly more angular expression. It is available in a low-backed version with a more intimate expression or in a high-backed version with an open, spacious feel. The wide choice of cushions, legs and upholsteries mean you can configure unique combinations that fit a variety of public and private contexts.

AAL 93 | Flamiber dark blue j4 | Black water-based lacquered oak base

EN 16139 - L2
Non-domestic seating

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
