

# AAS 33

PRODUCT FACT SHEET

## AAS 33

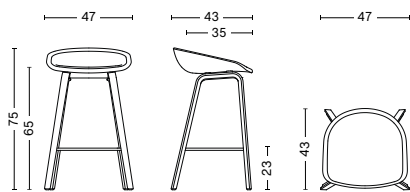

DESIGN BY HEE WELLING & HAY, 2012

Featuring a curved backrest and long, elegant wooden legs, About A Stool AAS 33 shares the same versatile profile as the other designs in the collection. The upholstered seat is offered in a wide variety of fabric options, with the legs available in two heights in different wood finishes. The series' simple yet strong visual presence makes it ideal as a bar stool in a variety of corporate, public, and private contexts.

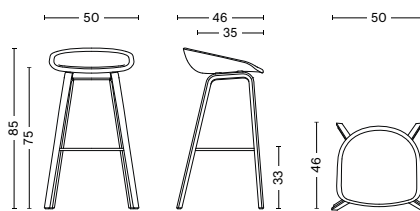

### HIGHLIGHTS

- Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- Variability of textiles, colours and base finishes.
- Available with plastic shell, with front upholstery (AAS 32) and full upholstery (AAS 33) in a large selection of fabrics and leathers.
- Also available with steel sled base.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

## SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.
