HAY

A PLAT TABLE LAMP

HIGHLIGHTS

- Lightweight, sculptural lamp crafted primarily from folded paper
- Delivered flat-packed and easily assembled by the user
- Features a discreet metal hook that makes it easy to move
- Designed for use with a replaceable standard retro fit LED bulb
- Suitable for both private and office use

APLAT TABLE LAMP DESIGN BY CPRV

Designed by the French design duo CPRV, Aplat Table Lamp is a lightweight, sculptural lamp crafted primarily from folded paper. Its flat-packed design is assembled by the user, with precise lines and angles that build volume and shape it into a simple, graphic form. The diffused paper surface emits an ambient glow reminiscent of candlelight, adding warmth and atmosphere to its surroundings. Its minimal construction, paired with a discreet metal hook, make it lightweight and easy to move wherever light is needed. Available in two sizes, it adapts easily to most spaces – placed on tables, shelves, and windowsills, or as a floor-standing lamp in any room.

Founded in 2020, CPRV is a collaborative design studio run by Camille Paillard and Romain Voulet, based between London, UK, and Marseille, France. Working across furniture, lighting, products, and interiors, the studio explores how design interacts with everyday life, focusing on simplicity, materiality, and long-lasting function.

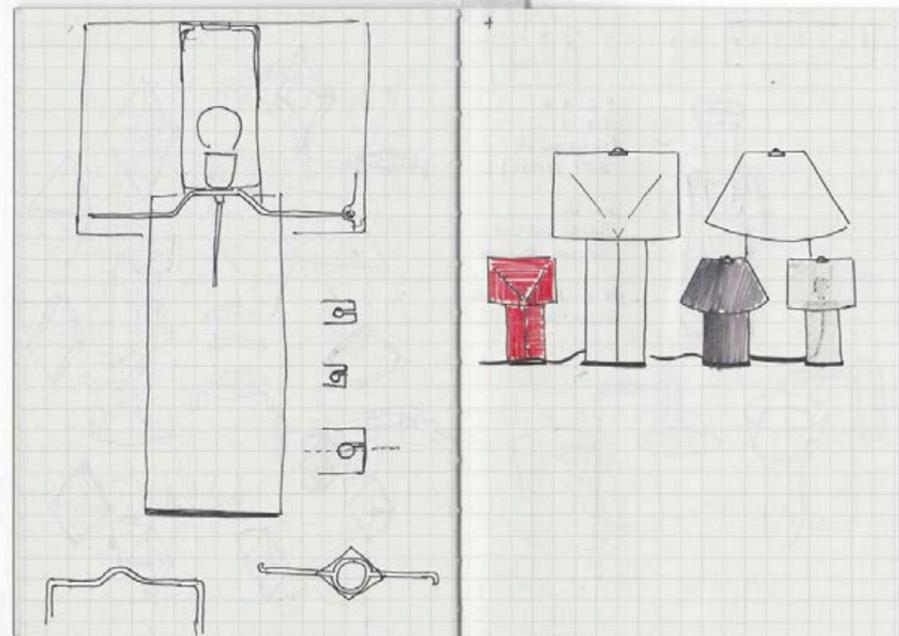

CPRV

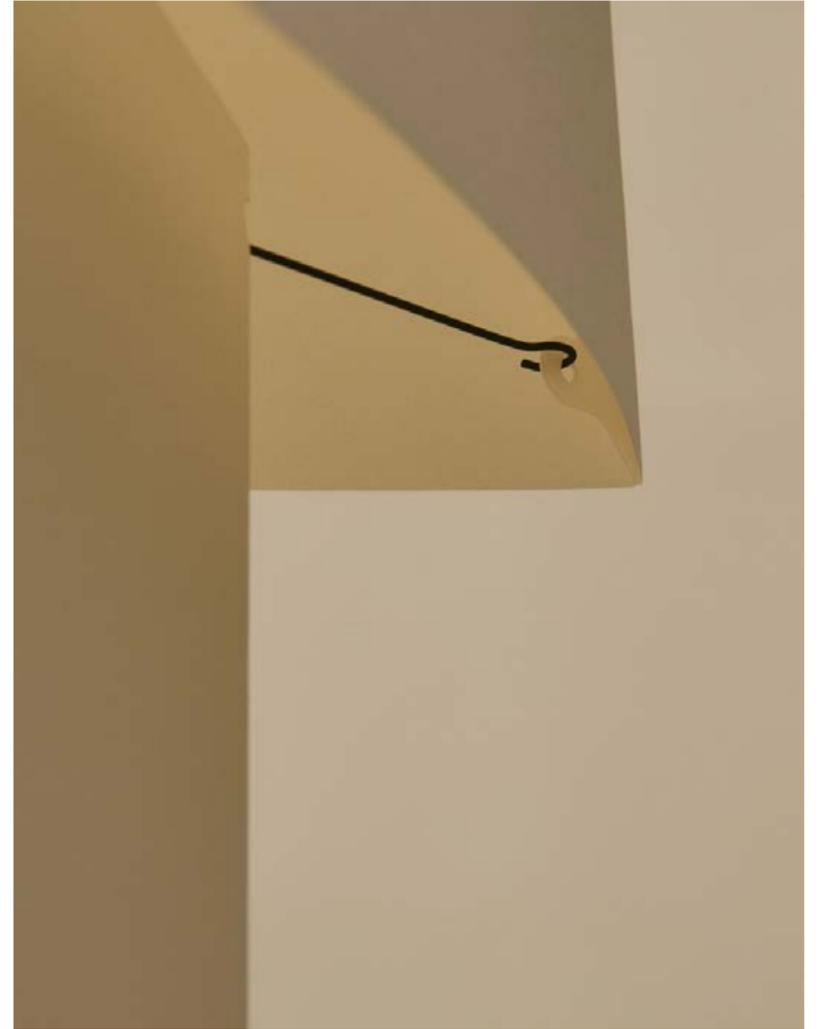

Aplat Table Lamp 400 & 660

The diffused paper surface emits an ambient glow reminiscent of candlelight.

The Aplat Table Lamp emerged from playful experiments with paper.

Aplat Table Lamp 660

MATERIALS

SHADE & BASE
Silk paper

STEM
Black powder coated steel pipe

BASE
Black powder coated sheet metal

CORD
Silicone with black fabric braiding

DIMENSIONS

APLAT TABLE LAMP 440
Width 28 cm
Depth 17,5 cm
Height 44 cm
Weight 0,55 kg

APLAT TABLE LAMP 660
Width 42 cm
Depth 26 cm
Height 66 cm
Weight 0,7 kg

APLAT TABLE LAMP 440

TECHNICAL SPECIFICATION

RECOMMENDED LIGHT SOURCE

LED E14 (A15), 5-8W (max. 8W), 500-800lm, 2700-3000K warm white
Bulb not included

DIMMABLE

No

POWER SUPPLY

220-240V AC at 50/60Hz

IP

20

CORD LENGTH

240 cm

SWITCH

Inline switch

TEST SPECIFICATION OUTPUTS

Photometrics and the test specification shown is taken using the recommended LED bulb fitted in the production luminaire

LUMEN (LM)

500-800lm

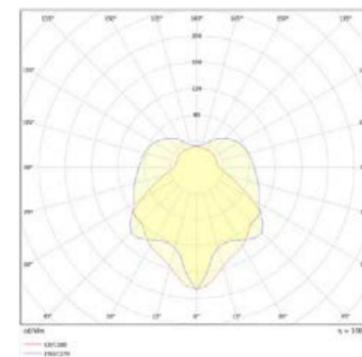

KELVIN (CCT)

2700-3000K warm white

CRI (1-100)
