- The series also includes an extendable version (CPH 30 extendable) and desks (CPH 10, CPH 90)
- Suitable for a wide variety of private and public environments
- Qualified for contract use

CPH 190 DESK DESIGN BY RONAN & ERWAN BOUROULLEC

Sharing the same angled legs as the rest of the series, the tabletop of the Moulded Plywood Desk CPH 190 features a split at the back of the table, creating a useful upright backrest for supporting notes and open books, while the remainder serves as workspace. This has the dual benefit of making the desk more compact, at the same time it increases functionality. Ideal for using in a home office or in a work environment, it is crafted in oak with a water-based lacquer.

MATERIALS

TABLETOP
24 mm moulded plywood tabletop in veneer. Straight edge.

FRAME
Slanted solid wooden legs featuring non-visible integrated screw-in adjustable feet that can be extended up to 12 mm to make the table level on uneven surfaces.

COLOUR & FINISH

Please note that the colours are indicative

Water-based
lacquered oak

DIMENSIONS

Width 150 cm
Depth 70 cm
Height 91 cm
Tabletop height 74 cm

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
