CPH 90 DESK DESIGN BY RONAN & ERWAN BOUROULLEC

The CPH90 brings classic desk aesthetics into a modern context. The Bouroullec brothers' simple yet graceful asymmetrical legs coupled with the streamlined tabletop results in a functional, compact, and uncluttered design. It is available with tabletops and frames in a variety of wood types and materials, with the possibility to select matching or contrasting combinations. The Copenhagen Desk's versatile and elegant design makes it suited to a variety of corporate environments, as well ideal for working at home.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
