

DESIGN BY PIERRE CHARPIN

HAY

PC DESK LAMP

HIGHLIGHTS

- Part of a progressive and technologically advanced lighting collection
- A family of multifunctional task lamps that can be used free standing, desk, clamp and wall mounted
- Integrated LED light source ensuring a life span of at least 25,000 hours of use
- Stepless touch dimmer
- Concealed gas springs
- The lamp is suitable for both private and office environments
- Qualified for contract use

PC DESK LAMP

DESIGN BY PIERRE CHARPIN

Pierre Charpin's PC Task Lights series is a collection of refined and precisely engineered task lamps designed to provide focused light where needed. The lamps are constructed in aluminium, with a subtle sheen finish. The functional design conceals gas springs that enable the arms and head to hold their position wherever they are moved, and it features an integrated-touch dimmer switch with a memory function that controls brightness levels and automatically turns off after five hours. The PC Task Lights are available in a variety of size and colour options and are suitable for both contract and domestic markets.

Trained as an artist, Pierre Charpin has devoted himself to furniture and object design since the early 1990s. His approach to design is strongly influenced by his artistic background. Pierre's research on form and colour characterise his work and can be seen in both, limited edition products and industrial products like the PC lamp. The use of a simple vocabulary and elementary forms is a constant aspect in his work, as well as the desire to offer sensual objects. Drawing, which he practices as a starting point for his designs, is an essential part of his creative process. Pierre Charpin's pieces have been included in exhibitions around the world and are held in many museum collections. He was elected Designer of the Year 2017 at Maison & Objet. He lives and works in Paris.

MATERIALS

SHADE
Spun aluminum

BODY
Extruded aluminium arms with die cast aluminium joint

BASE
Injection moulded ABS cover with internal sand cast iron counter weight.
Powder coated steel base with foam pad protector underneath

CORD
Silicone cable

PRODUCT INFORMATION

DESIGN YEAR
2016

COUNTRY OF ORIGIN
China

COLOUR & FINISH

Please note that the colours are indicative

Soft black

DIMENSIONS

PC DESK LAMP
Width 14 cm
Depth 55 cm
Height 42 cm
Weight 4,2 kg

TECHNICAL SPECIFICATION

RECOMMENDED LIGHT SOURCE
Integrated LED, 5,7W, 407lm, 3100K neutral white

DIMMABLE
Yes

POWER SUPPLY
220-240V AC at 50/60Hz
UK/EU plug mounted adapter

IP
20

CORD LENGTH
200 cm

SWITCH
Stepless touch dimmer

TEST SPECIFICATION OUTPUTS

Photometrics and the test specification shown is taken using the recommended LED bulb fitted in the production luminaire

LUMEN (LM)
407lm

KELVIN (CCT)
3100K warm white

CRI (1-100)
85
