

REBAR TABLE

PRODUCT FACT SHEET

REBAR TABLE COLLECTION

DESIGN BY SYLVAIN WILLENZ, 2018

Sylvain Willenz's Rebar collection is a series of coffee-, side- and tray tables that explores the possibilities of reconsidering construction materials and processes. The design juxtaposes the reinforced steel bar frame with marble tops and metal trays to create a balanced aesthetic. The tables are available in different sizes in round, square and rectangular shapes, and are suitable for using in private, corporate or public spaces.

HIGHLIGHTS

- A series of marble-topped coffee and side tables in different colours and sizes.
- The tables are available in different sizes in round, square and rectangular shapes.
- Combines raw aesthetic with elegant marble to create unique contrasting design.
- Marble is a natural material, meaning each stone's unique colour, pattern and texture gives it a one-of-a kind quality.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

DIMENSIONS

SIDE TABLE | ROUND
DIAMETER 45 CM | 17.75"

Colours and finish may vary slightly from product to product a marble is a natural material, and each stone has unique colours, patterns and textures.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.
