

SOFT EDGE 45

PRODUCT FACT SHEET

SOFT EDGE 45

DESIGN BY ISKOS-BERLIN, 2018

Iskos-Berlin's Soft Edge chair and stool series features a rounded frame and organically shaped seat and back, blending strong curves with extreme lightness to create a minimalistic design with dynamic comfort. All the edges of the ultra-thin, soft-formed seats are bent away from the body, designed to optimise human-centric comfort for constant shifting and movement.

With its plastic (PP) seat and back in a wide range of colours, and powder coated or chromed steel base, Soft Edge 45 offers both uncluttered aesthetics and strength. Its stackability and functionality ensure years of everyday use in diverse private, public and contract environments – from the home to corporate spaces, cafés and institutions.

HIGHLIGHTS

- Part of a family of dining chairs, bar stools and stools with steel base or solid oak legs or polypropylene seat and back.
- Polypropylene (PP) seat and back available in a wide range of colours, and powder coated or chromed steel base.
- The chair is also available in wood in different colours and finishes (Soft Edge 12, 32 and 72) and with steel frame and wood seat and back (Soft Edge 10, 30 and 70).
- Stackable on floor up to 10 pcs. without upholstery | 6 pcs. with upholstery.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.
