

TRAY TABLE

PRODUCT FACT SHEET

TRAY TABLE

DESIGN BY HAY, 2010

The metal Tray Table is a multi-functional piece of furniture that can easily be adapted to fit your needs. When the tray top is in place, it can be used as a bedside table or coffee table, and when the tray top is removed, it becomes a regular tray that can be used to carry items.

HIGHLIGHTS

- A multi-functional furniture.
- Available in a variety of colours.
- Available in different sizes.
- Suitable for a wide variety of private and office environments.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood, and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability, and safety.
