

A photograph of a minimalist wooden furniture set. In the foreground, a long, low wooden bench with three legs is visible. Behind it, a matching wooden table with three legs holds a stack of seven books. The books have various colored covers: orange, yellow, white, grey, red, and white. The background is a plain, light-colored wall with a white baseboard. The floor is dark grey wood.

# TRIANGLE LEG COLLECTION

DESIGN BY SIMON JONES

HAY

## TRIANGLE LEG COLLECTION

Motivated by the desire to create more space around a circular table, Simon Jones designed the Triangle Leg table and bench series. The ends of the rectangular tabletop have been rounded, creating a sociable setting that maximises seating numbers around the table yet keeping the shape compact. The triangular leg section creates the illusion of lightness and provides optimal compatibility with both square and round chair legs. Crafted in solid oak with an oiled or clear lacquer finish, this versatile table is suitable for a wide range of private and public dining or office environments.
