

Innes Leather Care Kit 250ml

A complete set for maintenance of aniline, semi-aniline and top coated leather.

Keep your beloved leather furniture in pristine condition with regular treatment.

The kit contains:

x1 Guardian Protection Leather Conditioner 250ml

x1 Osmo Lint Free Cloth

x1 Foam Sponge

Direction for use:

Guardian Leather Conditioner

For use with aniline, semi-aniline and top coated leather.

Reduce the risk of scratches and stains by applying Guardian Leather Conditioner to your leather furniture.

Leather conditioner contains substances that will maintain the natural look of the leather.

Use sponge or lint free cloth to massage an even, thin layer with circular movements.

Repeat application 4-6 times a year.

Can be used on most leather surfaces. Some types of leather can change colour slightly after treatment.

Shake before use.

Keep out the reach of children.

Always test the product on a piece that is not visible before use.
