Information

Ø200 LED: Compatible with leading and trailing edge mains dimmers. Please note that low power consumption on some products can affect dimming properties. This product is fitted with an integrated energy-saving LED light source. Should you wish to replace it, please contact Louis Poulsen so we can help you purchase the correct LED Replacement Kit. Please note that LED-replacement should always be carried out by an authorised electrician. For the E-socket product variants, bulbs are not included. LED light source is part of the product.
