

# SOFT EDGE 55 SLED

PRODUCT FACT SHEET

## SOFT EDGE 55 SLED

DESIGN BY ISKOS-BERLIN, 2020

Iskos-Berlin's Soft Edge series features an organically shaped seat and back, blending strong curves with extreme lightness to create a minimalistic design that optimises human-centric comfort. With its plastic (PP) seat and back in a wide range of colours and steel-sled base, Soft Edge 55 Sled offers both uncluttered aesthetics, stability, and functionality. Its strength, stackability, and ability to link multiple chairs together make it ideal for using in private, public, and contract environments – from homes to corporate spaces and cafés. Also available with upholstered seat.

### HIGHLIGHTS

- Part of a family of dining chairs, bar stools, lounge chairs and stools with steel base or solid oak legs or polypropylene seat and back with steel base.
- Offers an ergonomic seating solution due to its increased level of back support.
- Polypropylene (PP) seat and back available in a wide range of colours, and powder coated or chromed steel base.
- Available with seat upholstery in selected fabrics and leathers.
- Available with linking gliders.
- Stackable on floor up to 10 pcs. without upholstery | 6 pcs. with upholstery.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

## SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.
